

Mathematics Learning Journey

“Pure mathematics is, in its way, the poetry of logical ideas.”

Albert Einstein

Mathematics is a highly valued academic qualification that underpins many subjects across our curriculum. Success in Mathematics is a requirement for all routes post 16. Mathematics will provide an ideal platform for A-Level study in a wide range of subjects including maths, business studies, computer science, design technology and science.

Studying mathematics can lead on to some exciting career options, including accountancy, data analysis, teaching, law, geophysicist, logistics, software developer, engineer, and many more.
